

Internship Interest Email

Subject: Request for Assignment Deadline Extension

Dear Sir/Madam,

I hope this message finds you well. My name is Prayash Das, and I am currently a Computer Science student at VIT Bhopal. I am writing to express my interest in a summer internship opportunity at your organisation.

I have been actively developing my skills in full stack development, working with technologies such as Python, Flask, and JavaScript. I have also built projects involving real-world applications, which have strengthened my problem-solving and development abilities.

I am eager to gain practical industry experience and contribute meaningfully to your team while continuing to learn and grow. I would be grateful for the opportunity to be considered for any relevant internship roles.

Please find my resume attached for your review. I would be happy to provide any additional information if required.

Thank you for your time and consideration.

Sincerely,

Prayash Das
